- Summary view past errors, warnings, ...

¹ tapio partners with integrated their machines.

² availability varies by machine type and manufacturer and needs to be check individually.

- 1 Register your company at www.tapio.one
- 2 Enter your machines^{1,2} into your company account. The connection of tapio ready machines^{1,2} with tapio is automated (free service). "tapio readiness" and possible updates can be checked with the machine manufacturer.
- 3 Add your colleagues as users. (Invite them to your company account so they can get their own user accounts)
- 4 Go to the tapio shop and buy MachineBoard licenses per machine^{1,2}
- 5 Assign purchased MachineBoard licenses to your active machines^{1,2}
- 6 Switch to your mobile devices and download the MachineBoard App.

- 7 Log in to the MachineBoard App with your account information. Done.
